

Matt Hanson

Journalist | Developer | Data Analyst | Data Designer

EXPERIENCE

Minneapolis/St. Paul Business Journal, Minneapolis, MN — *Researcher*

October 2018 – present

Responsible for gathering data for and assembling the Business Journal's Top 25 Lists, featured in weekly issues throughout the year and in the end-of-year Book of Lists. Produce expanded list stories and graphics and assist reporters in data-related stories and larger investigations

Omaha World-Herald, Omaha, NE — *Data Fellow; Reporting Intern*

August 2017 – December 2017; May 2018 - Present

As a fellow at the Omaha World-Herald, I researched potential stories and news applications, wrote data stories and helped my editor maintain existing apps on dataomaha.com. Later I joined the news desk as a summer reporting intern, covering breaking news and writing features across multiple beats.

The Buffalo News, Buffalo, NY — *Data Reporting Intern*

June 2017 - August 2017

Cleaned and analyzed 1.6 million rows of parking ticket data to produce a package that included a story I wrote, an interactive map and database and stories from other reporters. Also worked early morning breaking news shifts and wrote movie reviews.

EDUCATION

University of Nebraska-Lincoln, Lincoln, NE

Bachelor's of Journalism '18

Semester at Sea

Traveled to 15 countries in four months, taking classes on a cruise ship through the University of Virginia and immersing myself through field labs and independent travel in cultures across East and Southeast Asia and Africa

1501 Portland Ave. S, #301
Minneapolis, MN 55404
(913) 944-2143

Mehanson95@gmail.com

SKILLS

Writing, reporting, photo/video, editing

Web design - HTML/CSS, Javascript

Data analysis/visualizations - Python (pandas, numpy, agate, matplotlib), some R, D3 for interactives

Database - MySQL, SQLAlchemy, MongoDB

Adobe Suite, Microsoft Office

AWARDS/CERTIFICATES

University of Minnesota Data Bootcamp Certification

In progress, for UMN Data Analytics and Visualization bootcamp ending in August 2019.

Robert F. Kennedy Journalism Grand Prize

For student investigation on predatory liquor trade in Whiteclay, NE, just south of Pine Ridge Reservation. First college publication to win in the 49-year history of the award. I developed the website for the series, in addition to doing graphics and data reporting to complement other students' stories on the site.

Kansas Scholastic Press Association

1st place Feature, 1st place News, 3rd place Review, 2012-2013 school year (high school)
